MEMO TO FILE:

As a result of the recent change in Civil Service regulations, many contract employees will be changing from Contract Health Plan to the Association Benefit Plan. The question of whether it would be necessary to satisfy a new deductible (if one had already been met or partially met under Contract Health) was put to the underwriter. On 31 August 1967, Mr. Premo informed me that Mr. Conway received approval from the home office to consider under the Association Benefit Plan a deductible or portion thereof already satisfied under the Contract Health Plan.
